War Against the Weak—Expanded Edition The Live Global Launch

April 25, 2012 at 2:30 PM

Campbell University RTP Campus, 808 Aviation Parkway, Suite 1100 Morrisville, NC 27560

A BOMBHELL. In this bombshell of investigative journalism, Black reveals that eugenics was extensive, systematic, well-funded, and supported by major political and intellectual leaders; perhaps most startling, it directly inspired the rise of Nazism in Hitler's Germany ... This chilling and well-researched book is highly recommended. *Gregg Sapp Library Journal*
